Dear Dave:

Many thanks for your letter of February 12th which I received yesterday upon my return from a vacation which incidentally included a wedding trip. Many thanks for writing to me about my job here and for sending me the transcript in regard to the Chinese.

I expect to have completed a reorganization job in this Agency on October 1, 1951, and to return then to my home in Princeton. I know you will be returning to Princeton on some occasion before too long and I am looking forward to seeing you there.

With best personal regards,

Very sincerely,
